

**EDGERTON UNITED METHODIST CHURCH  
LOCAL CHURCH POLICY FOR THE PROTECTION OF CHILDREN,  
YOUTH, AND ADULTS FROM VULNERABLE POPULATIONS**

**as adopted by the Edgerton UMC Church Council, Nov. 12, 2017**

**INTRODUCTION**

“Let the children come to me, and do not stop them: for it is to such as these that the kingdom of heaven belongs” (Matthew 19:14, NRSV). Scripture and our United Methodist tradition inform us in our belief that God values all of human life - perhaps children most of all.

The *Social Principles* of the United Methodist Church state that “... children must be protected from economic, physical, emotional, and sexual exploitation and abuse.” (2016 *Book of Discipline*, ¶162C). The *Book of Resolutions* encourages all conferences and churches to become involved in the prevention of sexual abuse of children (2016 *Book of Resolutions*, #3084). The *Book of Discipline* names child abuse, sexual abuse, sexual misconduct, and sexual harassment as chargeable offenses for clergy and lay members (2016 *Book of Discipline*, ¶12702).

**OUR COMMITMENT**

Therefore, it shall be the policy and covenant of this church to do everything in our power to prevent physical, emotional or sexual abuse against children, youth, and adults from vulnerable populations involved in any ministry sponsored by our local church. Further, we are called to minister to those persons who are experiencing abuse and to those who have been victims of abuse in the past. To that end, we covenant to be aware of our legal responsibilities and to comply with those responsibilities and go beyond those responsibilities when necessary to act justly in the best interest of those who have been abused or those who are most vulnerable to abuse.

The church will participate in orientations and training seminars for clergy and others in a role of leadership with children, youth, and adults from vulnerable populations. The Great Plains Annual Conference, in behalf of this congregation, through the Safe Gatherings program will help to screen clergy and others in a role of leadership with children, youth, and adults from vulnerable populations. Each church will be responsible to report instances of abuse as stated in Reporting Section.

The guidelines of the Safe Gatherings program and the procedures set forth the status of certification for persons within the church. Persons thus certified are entrusted with the title “Certified Worker with Children, Youth, and Adults from Vulnerable Populations.” Certified

workers with children, youth and adults from vulnerable populations shall be given the opportunity to renew certification in a manner determined by the Sexual Ethics Committee of the Great Plains Annual Conference.

### **SCREENING AND TRAINING FOR VOLUNTEERS OR STAFF**

The Great Plains Annual Conference of The United Methodist Church has developed and implemented training procedures (the “Safe Gatherings” program) for all individuals who work with children, youth, and adults from vulnerable populations. No such worker individual shall have any direct contact with children, youth, or adults from vulnerable populations until they have completed this training program.

1. Prior to employment or acceptance as a volunteer or paid staff person, the event coordinator or administrator in charge of an event or program shall direct each prospective worker to complete the Safe Gatherings program. By registering for Safe Gatherings, the applicant will give the Certification Authority of the Great Plains Annual Conference permission to contact references and perform the necessary investigation to complete the review of the application.
2. Upon receipt of the application, the Certification Authority shall facilitate a screening check with appropriate agencies. All persons applying for Certification or Recertification must register for online training through Safe Gatherings and pay the required fee toward the cost of background checks.
3. The Safe Gatherings program will facilitate reference requests from all applicants, who must have one clergy and one lay person as references. The clergy reference must be a District Superintendent if the applicant is a professional minister.
4. The Safe Gatherings Coordinator of the Great Plains Annual Conference will receive the completed reports and review them. If any of the completed forms or reports raises questions about the fitness of the applicant, the Certification Authority should disapprove the application and notify the applicant. The church reserves the right to turn away any persons for volunteer or paid service.

5. If the applicant, clergy or lay, volunteer or paid, is found to have been involved in any activity in which the applicant abused or exploited children, youth, or adults from vulnerable populations, the applicant will not be hired/approved. Any conviction of a crime against children, youth or adults from vulnerable populations shall disqualify any applicant.
6. Results of screenings shall be kept confidential within the limits of the law.
7. The Great Plains Annual Conference of the United Methodist Church has developed an online training program for all clergy and others in a role of leadership who work with children, youth, and adults from vulnerable populations. It is the responsibility of this local church to arrange for its applicants to take the Safe Gatherings online training. No person shall have primary responsibility for working with children, youth, or adults from vulnerable populations until they have completed this training program, except for persons already holding valid certification.

## **SUPERVISION**

Whenever possible, a team approach to ministry with children, youth, and adults from vulnerable populations is most appropriate. Ordinarily there will be two workers present during each event. Workers are to be encouraged to warn each other when questionable behavior is displayed.

At the completion of the event or program, the administrator or supervisor in charge shall file a report with a count of persons in attendance and a comment that there were or were not any reportable incidents. This document will be retained on file in the church office.
